

# WA4WD ASSOCIATION NUMBER PLATES

---

## DRAFT PROCEDURE FOR THE SALE AND DISTRIBUTION OF WA4WD ASSOCIATION VEHICLE NUMBER PLATES

1. The WA4WD Association Number Plates will only be available for purchase from the WA4WD Association.
2. The purchase price of WA4WD Association Number Plates will be \$200.00 per set, plus Statutory fees. Current costs are
  - Transfer fee of \$57.80, and
  - Conveyancing fee of 3.90.Ancillary fees may change without notice and will be passed onto the purchaser.
3. The purchaser of WA4WD Association Number Plates will sign a deed of agreement for the use and return of each set of WA4WD Association Number Plates issued.
4. A Project Officer will be responsible for the administration of the WA4WD Association Number Plates, processing DPI paperwork and the return of the purchaser's current number plates removed from their vehicle.
5. The WA4WD Association Number Plates will be allocated by request for specific numbers. If there is more than 1 request for a specific number, then an auction will be arranged.  
Such an auction will be conducted in the presence of Delegates, at a Delegates meeting, with a minimum of 14 days notice to prospective bidders. The reserve price will be \$200.00.
6. The WA4WD Association Number Plates 00 to 09, will be held by the Association for allocation at the direction of the Committee / delegates, except for the following plate numbers:
  - 00 being reserved for the WA4WDA Chairman, and
  - 01 being placed on the DTP Trailer.
7. No WA4WD Association Number Plates will be issued until the WA4WD Association has received full payment, including any ancillary costs.
8. Members who have purchased WA4WD Association Number Plates and who cease to be eligible for affiliated Club or WA4WD Association Membership, must return both plates to the WA4WD Association for a refund.

9. A full refund will be paid on the return of both plates in good condition. Plates, which have been chipped or damaged, will not be accepted at full refund. Chipped or damaged plates will remain the property of the WA4WD Association.
10. Refunds on chipped or damaged plates will be diminished by the cost to re-make the plate/s.
11. The WA4WD Association Number Plates, can not be “on sold”, that is, an eligible person may not sell their WA4WD Association Number Plates to another person, whether eligible or not. WA4WD Association Number Plates may only be sold back to the WA4WD Association.
12. The WA4WD Association will maintain a register of the owners of WA4WD Association Number Plates and will make this information available to Statutory Authorities.
13. The WA4WD Association Committee reserves the right to sell WA4WD Association Number Plates at their discretion. No correspondence will be entered into.

---

An Expression of Interest Form be placed on the Website for use by members to show their 1st, 2nd & 3rd choice of number preferences – these should then be submitted to Terry Machin.
